1. Since the closing of the Communist radio station, "Mil Diez", early in May by the Cuban government, Partido Socialista Popular (PSP-Cuban Communist Party) leaders have anticipated the seizure of Hay, Communist-owned newspaper. All necessary steps have been taken to safeguard the interests of the PSP and full preparations are being made to lead the Party underground.
2. A legal fight was allegedly to be set up to regain "Mil Diez", and if this should fail, the Party will put into operation a clandestine radio station. This station, which is already in possession of the Party, is built into a truck and can travel throughout the island of Cuba.
3. An independent radio station with a powerful transmitter, "Union Radio", allegedly is being infiltrated for propaganda purposes by the PSP since the seizure of "Mil Diez".
